

**Join us in shaping the new Medical School at Bielefeld University:  
Future-oriented, interprofessional, and strong in research and teaching**

The **Medical School EWL** at Bielefeld University intends to fill at the Department of Cardiology, Angiology und Internal Intensive Care (**Campus Klinikum Lippe**) a

## **Professorship for Internal Intensive Care and Emergency Medicine (W2)**

**with focus on Sepsis / Infectiology and Heart Failure**

at the earliest possible date.

At Bielefeld University, an innovative Medical School with an interdisciplinary individual and population medicine orientation and the University Medical Center East Westphalia Lippe, with the Klinikum Bielefeld, Evangelisches Klinikum Bethel (EvKB), and Klinikum Lippe as holders, are established. We are looking for personalities who want to seize the development situation and its challenges as a chance and actively participate in research, teaching, patient care, and organization. We offer an exciting environment that opens up a wide range of opportunities. You will be significantly involved in the further planning and implementation of the model study program in human medicine (according to ÄApprO), as well as in implementing the "clinician" and "advanced clinician scientist" programs, and you will have the opportunity to apply innovative concepts in teaching. At the same time, you will take on a significant role in developing an interconnected, inter/nationally competitive research profile "Medicine for people with disabilities and chronic diseases". For more information, please visit <https://www.uni-bielefeld.de/fakultaeten/medizin/forschung/profil/>.

The call aims at personalities with a promisingly national and international research profile who can represent the field of work in research, teaching, and patient care in its entirety.

The prerequisites are

- specialist qualification for internal medicine or internal medicine/cardiology or anesthesiology as well as possible additional designations for intensive care medicine and—if applicable—infectiology
- relevant doctorate, and additionally scientific achievements according to § 36 paras. 1; no. 4 HG NRW,
- very well scientific achievements reflected in corresponding publications and third-party funding,
- broad clinical experience in the field of expertise and leadership experience,
- connectivity to the research profile of the Medical School EWL,
- extensive and innovative teaching experience for the subject to be represented,
- experience and active involvement in the equality-oriented promotion of young scientists

The position goes along with the leading physician within internal intensive care medicine. The internal intensive care medicine at Klinikum Lippe Detmold includes an intensive care unit and an IMC unit with a total of 30 bed spaces under cardiological management.

A clinical and scientific focus is heart failure therapy, which uses all ECLS procedures (including Impella, ECMO, and LVAD) in cooperation with heart surgery partners. In 2017 the clinic was certified by the German Cardiac Society (DGK) as a heart failure specialist clinic and is also a training center for CRT/ICD implantations.

Networking with the two other hospitals of the University Medical Center East Westphalia Lippe as well as the other faculties of Bielefeld University and the medical community in private practice in

the region is expected. In accordance with these tasks, a personality with management experience and expertise as well as very good communication and coordination skills is sought.

The Klinikum Lippe would expressly like to invite women to apply. There is a wide range of offers to implement family-friendly working conditions. In addition to our day-care centers, we offer vacation care, reintegration during and after parental leave, placement of day-care workers, and help range in case relatives need care. All possibilities and variants of part-time employment are offered and agreed upon jointly between the doctor and management.

**For the appeal applies:**

The requirements for employment follow § 36 HG.

The tasks within patient care will be regulated via a contract with the Klinikum Lippe.

Applications from suitable persons with severe disabilities and persons with disabilities of equal status are expressly encouraged.

Bielefeld University has received several awards for its successes within equality and is certified as a family-friendly university. The university pursues a committed equal opportunities policy concerning the appointment of professorships, among other things, and would expressly like to invite qualified female applicants to apply. Applications are treated in concert with the State Equality Act. Family times will be considered in the context of the selection decision.

The Medical School EWL and the Klinikum Lippe consider equality between women and men to be one main task, and the future jobholder will be involved in its implementation.

Bielefeld University promotes dual-career couples and supports them in creating a common place of work and life.

Please submit your application by **23.03.2023** via the online appointment portal of Bielefeld University: <https://berufungen.uni-bielefeld.de/>.

In addition to the usual application documents and information, we ask you to submit each a 2-page teaching and research concept paper and a concept concerning patient care. These concept papers should integrate gender- and diversity-specific content relevant to the advertised professorship. We expect a brief description of your previous and planned gender equality activities, besides, particularly for the promotion of young female scientists and the compatibility of career and family.
